hold onto is each other...
Thank you for the blessing
of knowing you

HAPPY HOLIDAYS TO ALL!

We love our patients!

We are very thankful that through our service, we have come to know you as a friend.

We appreciate being your partner in achieving and maintaining dental health. Seeing your healthy smiles, it's what keeps us motivated!

Although we have settled in at 11 Friends Lane (~20 months now), we look forward to our continued journey. This period of time has been a challenge in life for all of us and yet I see that we have all danced in the rains of this economic storm together.

Keep balanced with your health; it helps maintain a positive outlook on life... and SMILE! There's so much to be thankful for! :)

At this time of reflection, I speak for all of us here at Dr. Bob's when I say, we wish you a season of sincere joy that offers you lasting peace.

God Bless You!

HOLIDAY PUMPKIN UPDATE: The holiday pumpkin weighed 15.78 lbs. Alyssa Steeger was our winner! She was the closest guess, without going over, guessing 15.7lbs.! WOW! Way to go!

A Shadybrook Farms homemade pie is ready for your choosing!

...Very competitive was the guessing this year with runner ups guessing a close 15.3lbs. and two others at 15lbs.!

THE WELLNESS RAFFLE - MYSTERY GIFT UPDATE:

The Wellness Raffle has been an added reward for taking care of your smile and improving your overall wellness. When patients ask us what we are raffling off, we've told them, "It's a mystery"!

It's a mystery because the winner is given a few options. We hope to make our gift more suitable and meaningful this way!

Congratulations to Cathy Walsh!

We were thrilled that her ticket came up; Cathy's been a patient ~27 years!

She chose the personal DVD player for travel time entertainment!
